ALI HAMZA USMANI

ABOUT ME

I am an app/web developer who love to explore the huge world of Computer Science. I like to solve different real world problems programmatically. As a student, I am currently in my learning phase so I like to learn as much as I can to broaden my career prospects. I see myself as a cyber security analyst in future.

EDUCATION

2000-2014 •Beacon House School System(High School)
2015 - 2018 • Wahaj Hussain School System(Ordinary levels)
2018 - 2019 • Whales College(Advanced levels)
2019 - 2023 • National University of computer and emerging sciences.

EXPERIENCE

I have worked on some freelance projects for few companies abroad:

- **Alitfitt** - A fitness product website for a UK based firm
  Link :- https://alitfitt.web.app/

- **Burney Store -** A ecommerce store for a UAE based organization
 Link :- https://burneystore.com/

Apart from these projects , I have made university projects as well as self learning projects, some of which can be found on the given link
